A video webcast of the presentation will be available the following day on the Company's website at <https://investor.onconova.com/events-and-presentations>, and as part of a complete catalog of presentations available on Noble Capital Markets' Conference website: www.nobleconference.com and on Channelchek: www.channelchek.com, the investor portal created by Noble. The webcast will be archived on the company's website, the NobleCon website, and on Channelchek.com for 90 days following the event.

About Onconova Therapeutics, Inc.

Onconova Therapeutics, Inc. is a Phase 3-stage biopharmaceutical company focused on discovering and developing novel small molecule drug candidates to treat cancer, with an initial focus on Myelodysplastic Syndromes (MDS). Using a proprietary chemistry platform, Onconova has created a pipeline of targeted agents designed to work against specific cellular pathways that are important in cancer cells. Advanced clinical trials with the Company's lead compound, rigosertib, are aimed at what the Company believes are unmet medical needs of patients with MDS. Onconova has conducted trials with two other research compounds and has a pre-clinical program with a CDK4/6 and Ark5 inhibitor, ON 123300.

About Noble Capital Markets, Inc.

Noble Capital Markets ("Noble") is a research driven boutique investment bank that has supported small & microcap companies since 1984. As a FINRA and SEC licensed broker dealer Noble provides institutional-quality equity research, merchant and investment banking, wealth management and order execution services. In 2005, Noble established NobleCon, an investor conference that has grown substantially over the last decade. In 2018 Noble launched www.channelchek.com – a new investment community dedicated exclusively to small and micro-cap companies and their industries. Channelchek is tailored to meet the needs of self-directed investors and financial professionals. Channelchek is the first service to offer institutional-quality research to the public, for FREE at every level without a subscription. More than 6,000 emerging growth companies are listed on the site, with growing content including webcasts, podcasts, and balanced news.

Forward-Looking Statements

Some of the statements in this release are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, Section 21E of the Securities Exchange Act of 1934, as amended, and the Private Securities Litigation Reform Act of 1995, and involve risks and uncertainties. These statements relate to Onconova expectations regarding the INSPIRE Trial and Onconova's other development plans. Onconova has attempted to identify forward-looking statements by terminology including "believes," "estimates," "anticipates," "expects," "plans," "intends," "may," "could," "might," "will," "should," "approximately" or other words that convey uncertainty of future events or outcomes. Although Onconova believes that the expectations reflected in such forward-looking statements are reasonable as of the date made, expectations may prove to have been materially different from the results expressed or implied by such forward-looking statements. These statements are only predictions and involve known and unknown risks, uncertainties, and other factors, including Onconova's ability to continue as a going concern, maintain its Nasdaq listing, the need for additional financing, the success and timing of Onconova's clinical trials and regulatory approval of protocols, our collaborations including the effective termination of the HanX license and securities purchase agreements and plans for partnering certain territories, and those discussed under the heading "Risk Factors" in Onconova's most recent Annual Report on Form 10-K and quarterly reports on Form 10-Q. Any forward-looking statements contained in this release speak only as of its date. Onconova undertakes no obligation to update any forward-looking statements contained in this release to reflect events or circumstances occurring after its date or to reflect the occurrence of unanticipated events.
